

FALL 2023 NEWSLETTER

MESSAGE FROM THE HEAD OF THE SCHOOL OF CIVIL AND ENVIRONMENTAL ENGINEERING

Another successful year with many accomplishments for our faculty, students, and staff. Sorry if I missed something – there are so many to keep track of.

We use our LinkedIn group to post regular updates. Join us on LinkedIn to keep up with news about the School:

NEW SCHOLARSHIP

We would like to thank the department's advisory board for establishing the Civil Engineering Advisory Board Endowed Scholarship this fall. We hope to make the first award soon. Current and past advisory board members (and others) are invited to contribute. The fund number is 26-71850

Our graduating seniors at the Fall 2023 Senior Design Expo, December 1, 2023

**OUR NEXT SENIOR DESIGN EXPO
PRESENTATION IS ON
APRIL 26, 2024
PLEASE PLAN TO ATTEND!**

CONGRATULATIONS TO FACULTY ON EARNING PROFESSIONAL ENGINEER LICENSES

Dr. Mary Foltz & Dr. Jaime Schussler

Passing the Principles and Practice of Engineering (PE) Exam.

Dr. Foltz

now has her PE license in Oklahoma.

Dr. Schussler

just needs a few more months before she can apply for her Oklahoma license later this summer.

WELCOMING NEW GRADUATE STUDENTS

Our department hosted a “Welcome Back BBQ” and potluck for our graduate students and their families!

The students were joined by faculty, staff, and college administration. It was wonderful to see everyone cross discipline boundaries to share a meal and play games together. As we embark on the new academic year, we hope to continue fostering this spirit of support, togetherness, and fun!

We are so grateful for the hard work and dedication our graduate students pour into our department, and we were glad to see them have some fun outside of the lab. Already looking forward to our next event!

CONGRATULATIONS TO OUR DECEMBER 2023 GRADUATES

B.S. CIVIL

Castro, Stephanie
Chartouni, Christopher
Fairbanks, Joshua
Finnigan, Victoria
Hughs, Hattie
John, Jeffy
Leonard, Payton
Martin, Jasmine
McCormick, Caden
Mohan, Roshan
Prizznick, Seth
Rodriguez, Matthew
Schmitt, Joey (ENVR)
Smith, Kal
Toney, Jessica
Turner, Victoria

M.S. CIVIL

Cochran, Dillon
James, Cody
Mata, Cheyenne
Soliman, Alaaeldin
Somishetty, Varun k

M.S. ENVIRONMENTAL

Long, Elizabeth

PH.D. CIVIL

Parastegari, Niloofar
Wang, Guolong

FOUNDATION UPDATE

The Civil and Environmental Engineering Fund (26-66000) is probably our single most important fund. This is the general-purpose fund that we can use to support all of our departmental initiatives.

This fund supports:

Recognition of our graduates, which traditionally includes the Senior Dinner and the Cowboy Hard Hats and safety vests.

The Engineering North renovation project, as well as furniture and other enhancements for the new spaces

Study Abroad travel scholarships.

Supporting our efforts to recruit high quality faculty for the program.

Therefore, I would like to ask you to help us out with that fund. Through summer 2019, the School has awarded over 3,000 BSCE degrees. If half of our graduates gave just \$50 every year, that would provide \$ 75,000 to support these efforts.

Opportunities remain to support the Engineering North 2nd Floor Renovation Project. There are several faculty offices and other spaces that you can sponsor.

Did you know?... You can make a bigger impact by donating long-term appreciated securities (like stock, bonds or mutual funds) directly to the OSU Foundation. Compared with donating cash or selling your appreciated securities and contributing the after-tax proceeds, you may be able to automatically increase your gift and your tax deduction by bypassing capital gains while you take a tax deduction for the full fair market value.

KEEPING UP WITH THE PROGRAM

Please pass this on to any potential students for our program.
