

CENTER FOR INTEGRATED BUILDING SYSTEMS

College of Engineering, Architecture and Technology

Planning Meeting September 25th-26th, 2019

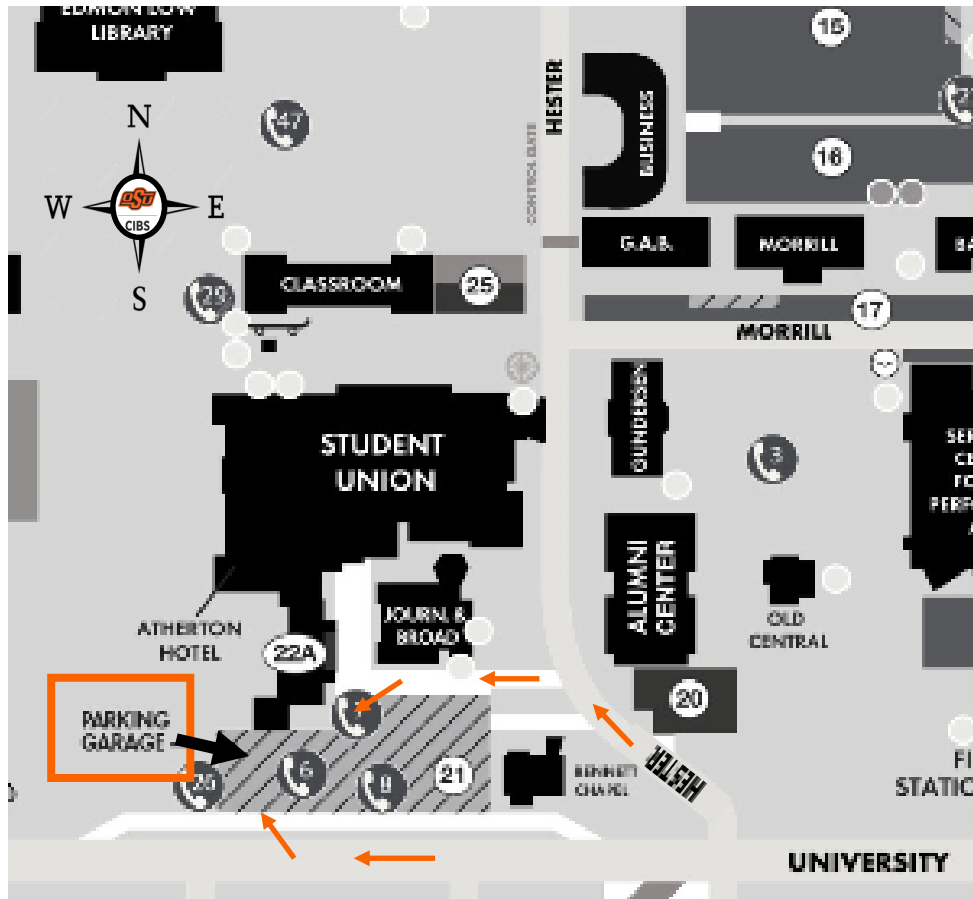

Parking Information

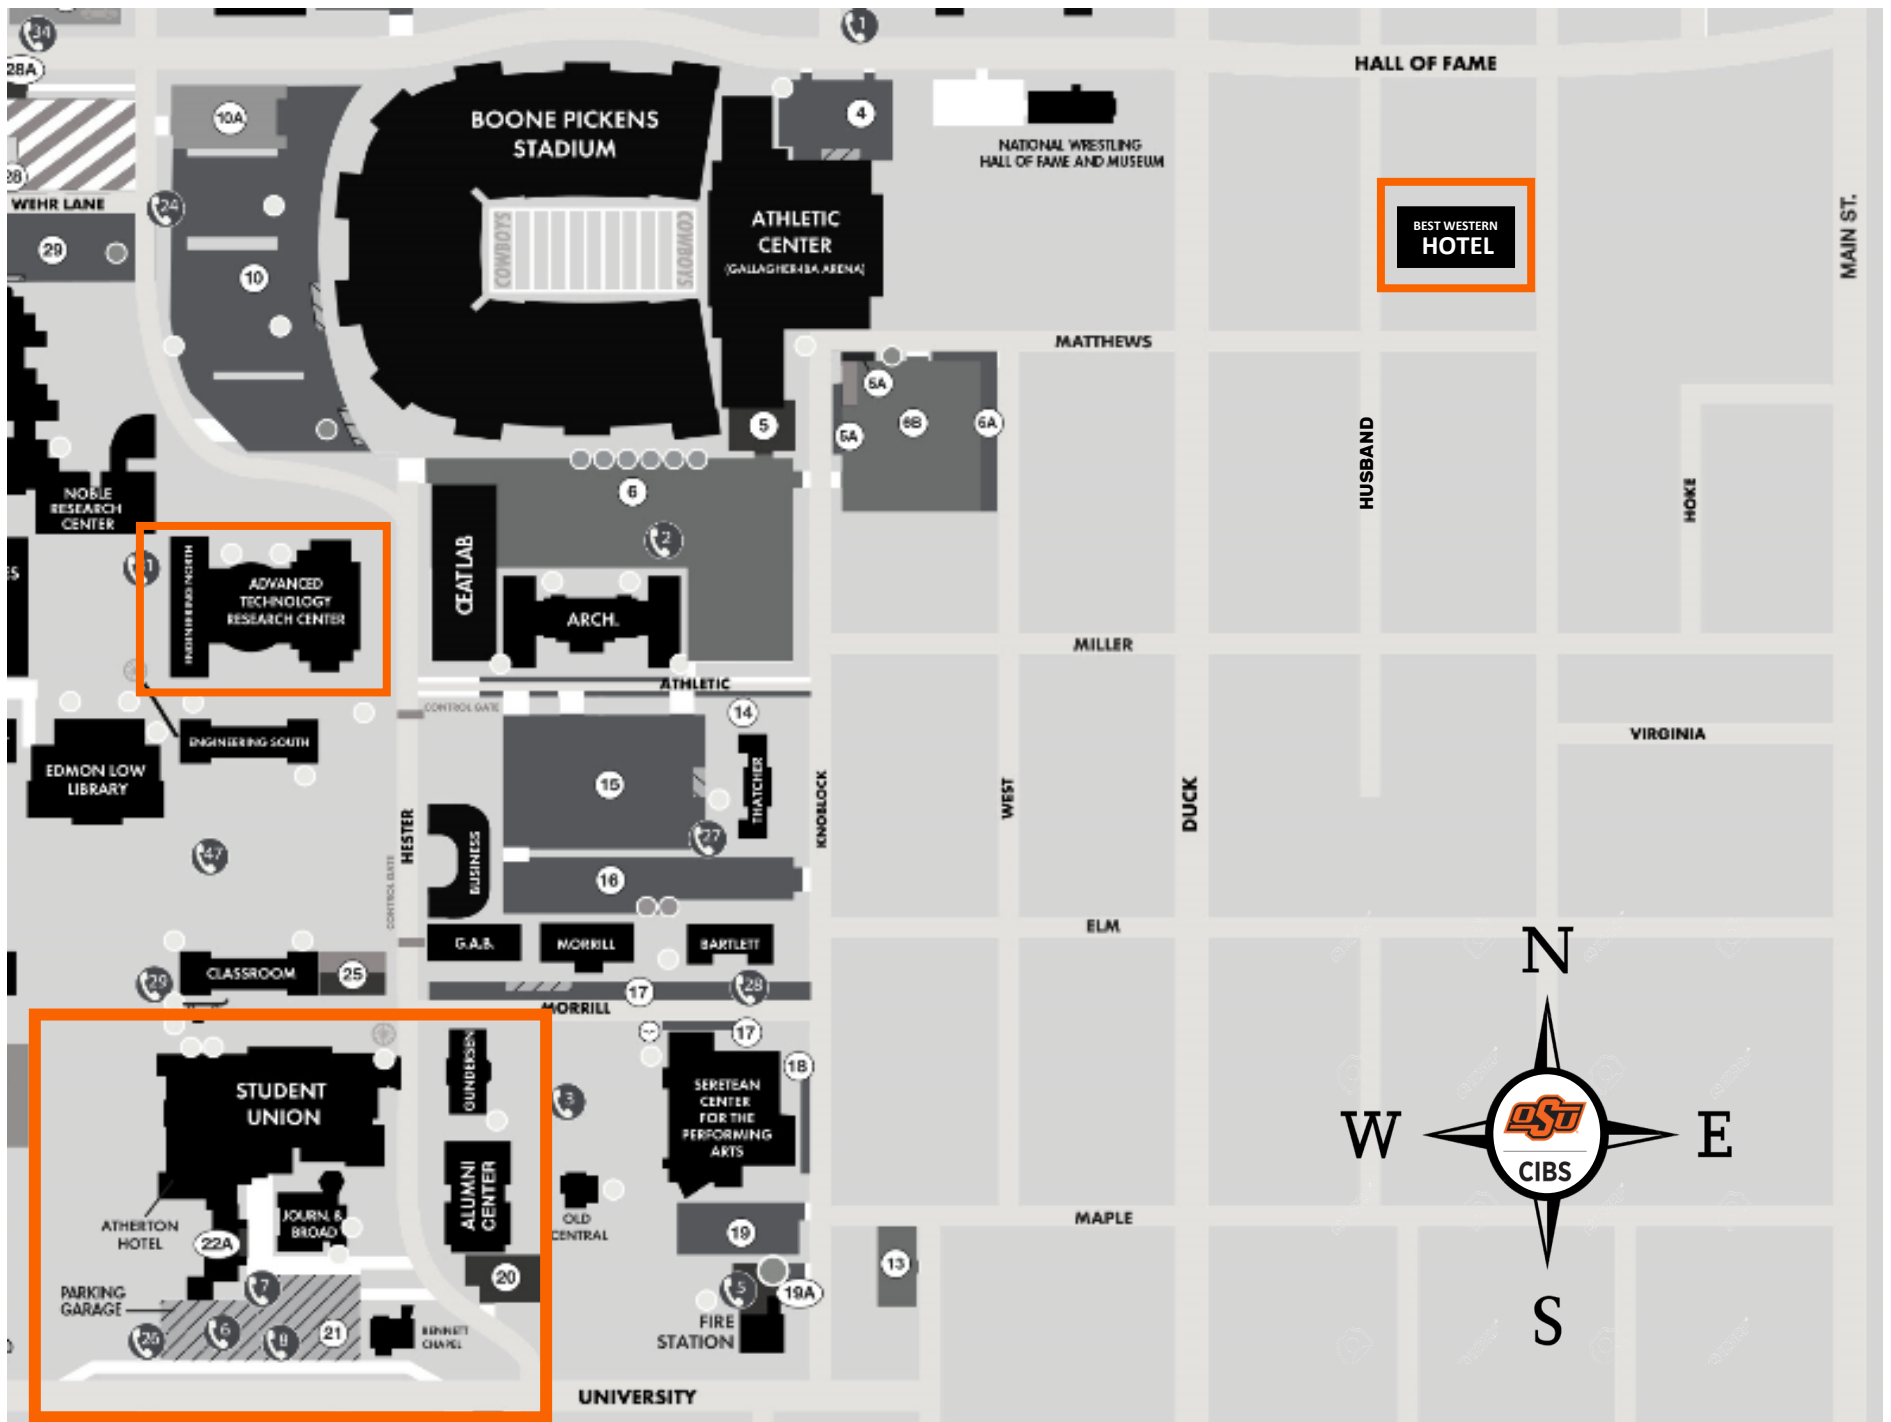

Parking accommodations have been made for Conference Attendees in the parking garage. Entrances to the garage are located off Hester (in front of the Atherton Hotel) & (West-bound) off of University.

Passes will be mailed in advance to attendees who requested parking with their form submission.

Please present one pass to the parking attendant each day when leaving so they can register it to the CIBS conference.

A physical address you can plug in your GPS would be:
202 S. Hester
