## General information for in-state and out-of-state transfer students

- **Chose a less expensive housing option.** The price differences between community-style residence halls and suites or a private room and a shared room can add up quickly.
- **Make the most of your meal plan.** Save eating off-campus for special occasions and keep track of your rollover amounts each semester.
- **Buy used textbooks, if possible.** Be sure you know the stores return and buy-back policies on textbooks.
- **Avoid parking tickets.** Take advantage of OSU's bus system on campus and around Stillwater. You can also try bringing a bicycle to campus.
- **Keep track of charges you make.** Treat your student ID card like a bank card. Review your OSU student account online at least once a week.
- **Limit how much you spend on optional items.** Create a budget and set spending limits for yourself.
