Congratulations to our Certified Healthy departments!

Congratulations to Fire Protection Publications, CEAT Online Learning, CEAT Dean's office, CEAT Student Services and the School of Mechanical and Aerospace Engineering for being a Certified Healthy Department! The Certified Healthy Department program is hosted by OSU Wellness, and departments are certified when they demonstrate that they provide a healthy environment for faculty, staff, students and visitors, thereby supporting the culture for an overall healthier OSU. By meeting most or all of the criteria to become Certified Healthy, the department provides an environment to foster healthy lifestyle choices while at work.
