The Thunder welcomes high school students, OSU experts for Aero-Student Day

Hundreds of high school students flocked to Paycom Center on Friday to engage with aerospace experts from Oklahoma State University for the Oklahoma City Thunder’s Aero-Student Day.

Surrounded by various drones, a Jet Stream 500 wind tunnel and even an FLS micro jet, students were able to connect with OSU aerospace industry professionals.

U.S. News and World Report ranks OSU high in the 2023 Best Online Master’s in Engineering Programs

The College of Engineering, Architecture and Technology (CEAT) at Oklahoma State University has been ranked No. 18 among the 2023 Best Online Master’s in Engineering Programs by U.S. News & World Report. CEAT also ranked No. 14 in Best Online Master’s in Engineering Programs for Veterans.

Dr. Zhang named Clarivate Highly Cited Researcher

ECE Professor, Dr. Weili Zhang, was named for the fourth year in a row a Clarivate Highly Cited Researcher due to his pioneering work in THz imaging, spectroscopy, plasmonics, and metasurfaces. He is only one of two researchers in the OSU system to receive this award during 2022. In total, his research has been cited more than 17,500 times. He has an H-Index of 68 (i.e., 68 of his publications have been each cited more than 68 times).
