FIRST Robotics Scholarships

FIRST ROBOTICS & FIRST TECH SCHOLARSHIPS:
The OSU admission application serves as the primary scholarship application for incoming freshmen and transfer students. By completing it, and indicating a major within the College of Engineering, Architecture and Technology, you will be considered for nearly all scholarships based on eligibility.

To be considered for the FIRST Robotics Scholarships, you will also need to provide a letter of recommendation from your FIRST Robotics instructor to Amanda Williams, CEAT Scholarship Coordinator at a.n.williams@okstate.edu. Applications and letters of recommendation must be submitted by May 15.

REQUIREMENTS:
- Participation in either FIRST Robotics or FIRST Tech
- Majoring in one of the following majors at Oklahoma State University:
  - Architectural Engineering
  - Biosystems and Agricultural Engineering
  - Chemical Engineering
  - Civil and Environmental Engineering
  - Electrical and Computer Engineering
  - Industrial Engineering and Management
  - Mechanical and Aerospace Engineering
