

STEM Symposium

Sponsored by 

February 27, 2024 | 9am-1:30pm – Lunch will be provided
Hosted by OSU CEAT K-12 DoD STEM | No cost required

Location: Hamm Institute
for American Energy 300
NE 9th - Oklahoma City, OK

Available to freshmen (9th
Grade) students, teachers,
& school administrators

A great creative STEM learning experience for Oklahoma's 9th Grade Students, Teachers, and School Administrators. This will be an amazing experience that shows STEM applications in industry, shines a light on STEM college and career opportunities and allows all present to enjoy hands-on engineering design projects.
